

# HealthLynked Corp. Announces Expansion of Its Sales Team into New Key Markets

APRIL 25, 2018

Naples, FL- (APRIL 25, 2018) – HealthLynked Corp. (OTCQB: HLYK), improving healthcare through its advanced personal health record and patient engagement platform, today announced the expansion of its sales team into South Carolina and additional Florida markets. The growth of the sales team is essential to support increased commercial initiatives and lays the groundwork for continued expansion into other target markets planned over the next several quarters.

Dr. Michael Dent, Chairman and Chief Executive Officer, stated “With our increased sales and marketing experience as well as enhanced industry knowledge, the expanded sales footprint will be a great addition to our already dynamic commercial efforts. We are looking forward to continued team development in 2018 to better serve our customers and support meaningful expansion strategies this year and beyond.”

Dr. Dent went on to say, “The added team members are proven sales professionals, all of whom we have known for some time. We are confident that in bringing their level of excellence on to our existing team, we will accelerate our sales performance and achieve network revenue growth within expected time frames.”

## **About HealthLynked Corp.**

HealthLynked Corp. provides a solution for both patient members and healthcare providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows patient members to connect with their healthcare providers and take control of their medical information. Members enter their medical information, including medications, allergies, past surgeries and personal health records, in one convenient online and secure location, free of charge. Participating healthcare providers can connect with their current and future patients through the system. Other benefits to our providers include the ability to utilize the HealthLynked marketing tools to connect with their active and inactive patients to improve patient retention, access more accurate and current patient information, provide more efficient online scheduling, and to fill last minute cancellations using our “real time appointment scheduling” mobile application. Healthcare providers pay a monthly fee to access these HealthLynked services. For additional information about HealthLynked Corp. visit [www.healthlynked.com](http://www.healthlynked.com)
