

HealthLynked Corp. Announces Participation in the 2018 Florida Medical Association Conference and Exhibition

July 31, 2018

Naples, FL- (July 31, 2018) – HealthLynked Corp. (OTCQB: HLYK) today announced it will be participating in the Florida Medical Association Meeting in Orlando, Florida, Friday August 3rd through Saturday August 4th, to provide increased visibility to their novel platform and meet with key opinion leaders and stakeholders. The two-day event, held at the Loew’s Sapphire Resort in Orlando, Florida, will also provide an opportunity to strengthen HealthLynked’s growing engagement with physicians in the Florida market.

This annual meeting brings together over 1,100 physicians from Florida, and many other states, to discuss key issues in medicine and allows HealthLynked to share with the physician community the key advantages HealthLynked provides improving healthcare through the efficient exchange of medical information and patient engagement. Exhibiting at Booth #28, the company will maximize opportunities to advance its current and future client relationships and to further expand awareness of the HealthLynked Network.

Dr. Michael Dent, the Company’s CEO, will be attending the conference in Orlando and stated “I look forward to productive meetings with numerous key thought leaders and colleagues as they address the importance of focusing on online marketing, the mobile patient, efficient data exchange among healthcare providers, and how to create true patient engagement in an increasingly digital age.”

HealthLynked is uniquely positioned to address the concerns of efficient information exchange and real patient-to-physician connectedness, improving healthcare through the application of novel technologies and algorithms, to promote opportunities for enhanced patient relationships using data integration and collaboration tools not available in patient care until the advent of the Company’s platform.

About HealthLynked Corp.

HealthLynked Corp. provides a solution for both patient members and providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows members to connect with their healthcare providers and take control of their medical information. Members enter their medical information, including medications, allergies, past surgeries and personal health records, in one convenient online and secure location, free of charge.

Participating healthcare providers can connect with their current and future patients through the system. Other benefits to providers include the ability to utilize the HealthLynked marketing tools to connect with their active and inactive patients to improve patient retention, access more accurate and current patient information, provide more efficient online scheduling and to fill last

minute cancelations using our “real time appointment scheduling” mobile application. Healthcare providers pay a monthly fee to access these HealthLynked services.
