

HealthLynked Corp. Announces the Release of its Redesigned Website

Revamped Website Includes New Comprehensive Investor Section

September 27, 2018

Naples, FL- (September 27, 2018) – HealthLynked Corp. (OTCQB: HLYK), which connects doctors, patients and data to improve healthcare, announced today the launch of its newly revamped website. The redesigned website offers quick and easy access to essential information and features that give a more comprehensive understanding of the Company's innovative range of products and services. The website also has a comprehensive investor section with updated company news and events, financial and stock information, U.S. Securities and Exchange Commission filings and corporate governance information.

The new website features a clean uncluttered design, improved functionality and enhanced rich content focused on the Company's mission to provide a comprehensive platform that connects doctors, patients and their healthcare information. The website highlights the Company's services that it provides to its patient members and provides an easy way to find and connect patients to their doctors within the HealthLynked Network. There are links to both Android and iPhone mobile app downloads that members can use when away from home to stay connected, have immediate access to their healthcare data, share medical information and book appointments with healthcare providers. Physicians can also claim their profile and update their online information, upload photos of their practice and highlight areas of medical expertise.

"We are excited about our new website launch and the robust information it provides for patients, physicians, investors, partners and the media to better understand HealthLynked's vision for the future of healthcare," said Dr. Michael Dent, HealthLynked's Founder and Chief Executive Officer. "We believe that this new site will allow our users to have a very informative experience and a step-by-step process by which they can create their HealthLynked profile, connect to their current healthcare providers, search for new providers and connect with family members."

The website will be updated on a regular basis with new services, business activity, corporate milestones, events, and investor and financial information. Visitors are encouraged to explore the website and create their free profile

at <https://app.healthlynked.com/#!/register>. Healthcare providers can claim their online profile and see the benefits of becoming a HealthLynked provider at <https://app.healthlynked.com/#!/public/providers>.

About HealthLynked Corp.

HealthLynked Corp. provides a solution for both patient members and providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows members to connect with their healthcare providers and take control of their medical information. Members enter their medical information, including medications, allergies, past surgeries and personal health records, in one convenient online and secure location, free of charge.

Participating healthcare providers can connect with their current and future patients through the system. Other benefits to providers include the ability to utilize the HealthLynked marketing tools to connect with their active and inactive patients to improve patient retention, access more accurate and current patient information, provide more efficient online scheduling and to fill last minute cancelations using our “real time appointment scheduling” mobile application. Healthcare providers pay a monthly fee to access these HealthLynked services.
