Revenues for the first quarter of 2018 were \$645,639, an increase of 36% over the same period in 2017, mainly caused by an increase in patient appointments of 18% along with an increase in time of service collections of 67%.

Our health services division realized operating income of \$11,358 in the first quarter of 2018, compared to an operating loss of \$51,824 in the first quarter of 2017, an improvement of \$63,182.

Compared to the fourth quarter 2017, first quarter 2018 revenue was \$645,639, an increase of 2.5% over fourth quarter 2017 revenue of \$629,940.

Patient appointments increased 7% compared to the fourth quarter and time of service collections increased 54%.

Dr. Michael Dent, the Company's Chairman and CEO, stated, "We continue to be very pleased with the results of our health services division, with record revenue and significant quarterly growth reported in the first quarter based upon a significant increase in patient appointments during the period compared to the same period last year, improvement in time of service collections and for the second straight quarter generating operating income. We continue to deploy the HealthLynked suite of services at our health services division and we expect these results to continue through the rest of 2018."

About HealthLynked Corp.

HealthLynked Corp. provides a solution for both patient members and healthcare providers to improve healthcare through the efficient exchange of medical information. The HealthLynked Network is a cloud-based platform that allows members to connect with their healthcare providers and take control of their medical information.
